TLUMC Leadership Retreat

Saturday, January 27, 2018

9:00 AM - 12:00 PM

Ponderosa Retreat and Conference Center

Our annual church Leadership Retreat is a time for all of our leaders to gather together and do some visioning and planning for the coming year. We'll have some time for fellowship and reflection as we envision the kind of church God may be calling us to be in these changing times.

Anyone who is a member of TLUMC is welcome to attend the retreat, but we especially encourage those who serve on any of our committees and ministry teams. Join us for this important event in the life of the church!

The Leadership Retreat will be held at Ponderosa Retreat and Conference Center:

Re-form Sermon Series

Re-form: Discovering the Once and Future Church

On October 31, 2017, the world marked the 500th anniversary of the Protestant Reformation. The 500 years since the Reformation have been marked by massive changes in our world, in

western culture, and in the church. Historian Phyllis Tickle says that every 500 years the church holds a “rummage sale” in which it decides what to keep, what to leave behind, and what to make room for that is new. As we mark this 500-year anniversary, what have we learned from the church’s past and where might God be calling us to go in the future?

In this important new sermon series, Dr. Bob Kaylor will lead us on an expedition through the history of the church and its Reformation, how life and culture has changed since the days of Christendom, and look at some possible paths for the church’s future. In a time when our own United Methodist denomination is in upheaval and American culture is becoming more and more secular, it’s an important time to discern God’s path for people of faith. Pastor Bob will argue that a new Reformation is emerging and will bring with it both challenge and opportunity.

Of course, reformations go back more than 500 years. The Bible itself talks about periods of time when the people of God went “back to the future” by reforming around their covenant roots. The reforms of King Josiah provide an excellent model for the kind of reformation that can change the world, and we will use that story from 2 Kings as a biblical framework for the series.

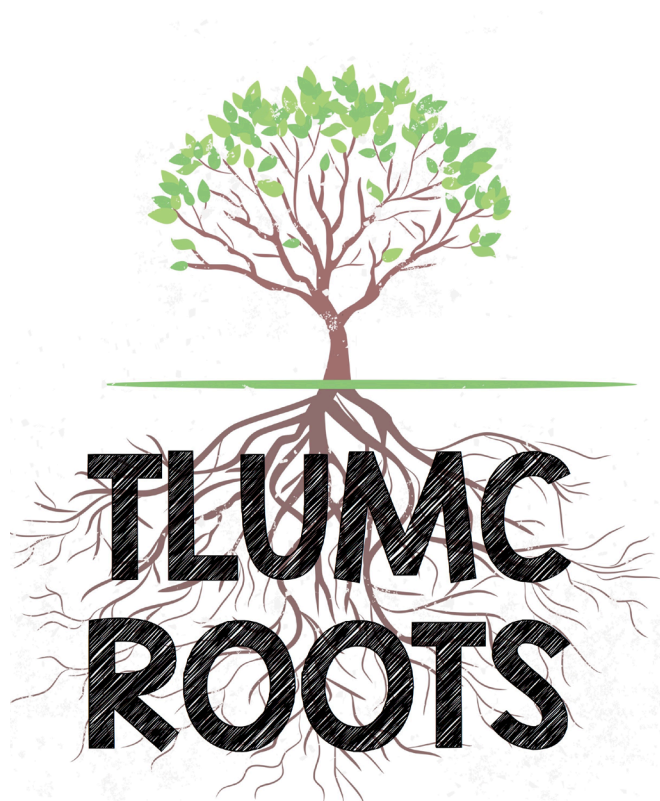

Join us for this six-week series, beginning January 7th!

TLUMC Women

Thank you to all the Bakers and Volunteers for the TLUMC Women's Cookie Walk. Early on Saturday before we opened we had people waiting at the door anxious to buy cookies. The excitement and joy of the shoppers was visible as they selected just the cookies that they wanted. Through everyone's hard work we now have \$2661 to support the Tri-Lakes Cares neighborhood nurse, the Crawford House quilters, the Palmer Divide Blanket Brigade, and the Days for Girls project.
