Summer Newsletter
May - Aug 2017

A Note From Sam:

Dear Friends,

We've had a great start together throughout the Fall and Winter, with many new faces and a lot of great energy! Thank you to everyone who participated and helped make our time together such a great experience!

As we move into summer we have A LOT to look forward to: the end of another school year, great Colorado weather, and time for travel and new experiences! However, the changing of seasons also brings great opportunities for change and growth in our own lives. As this school year comes to a close, we hope to see you for the many great programs, trips, and events we've got planned!

TLUMC is an amazing place to explore and grow in our relationship with God, and also to have fun!
