John Wesley defined a Methodist as one who “has the love of God shed abroad in his heart by the Holy Ghost given unto him.” For Wesley and for the Apostle Paul, the key to living the Christian life is be led by the Holy Spirit and, if we’re living that life, it will be known in the “fruit” we produce--the fruit of the Spirit. In this sermon series, our pastors will take a deep dive into the “nine essentials” of the Christian life: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Join us to learn how you can cultivate this fruit in your life and learn to walk in the way of the Spirit!

TLUMC is looking for groups/ministries to submit articles about their **completed** activities and events for next month's issue. We usually receive a lot of great information about what's coming up, however, it would be great to see some stories and testimonies of the work our Church has done to build followers of Jesus in our community. A great way to frame your submissions is to ponder the question, "where have I seen or experienced God in my areas of involvement?" and to document those stories for our entire church to read. We look forward to hearing what you've been up to!
