# Lay Leaders

---

## MEET YOUR TLUMC VOLUNTEER LAY LEADERS:

The Lay Leadership Committee would like the TLUMC congregation to meet the volunteer lay leaders of each of the church committees. Over the next several issues of the Beacon, you will get a snapshot of those individuals who devote their time and make things happen at TLUMC. Enjoy, and when you get a chance, thank them for the service they provide TLUMC. Volunteers are always needed for these committees. Should you be interested in any of the church committees and ways to support TLUMC, please feel free to contact the chairperson or the church office.

### JEREMY FERRANTI:

I am currently chair of the TLUMC Board of Trustees. This committee is responsible for overseeing the building and grounds of our church and making sure TLUMC is well maintained. We deal with all the details both inside and outside the church so that TLUMC is a safe environment in which our congregation can worship. My family and I relocated to Monument in 2016. My wife, Allison, and I are the proud parents of three boys and are thrilled to be part of TLUMC. Allison serves on the Staff Parish Relations Committee, and I am a licensed commercial and residential general contractor, real estate developer, and managing partner at The Element Group.

### ROB GORDON:

As chair of the Finance Committee, my committee and I manage the accounts for all donations to TLUMC and for church expenditures. We develop the budget each year to present to the Church Council. I have a Ph.D. in Statistics and have been on the faculty of North Dakota State University. I have also served as a statistician for two major corporations. In retirement, I have been a church treasurer and served five years as a financial secretary at another local church. For nearly seven years, I was the President of the Rocky Mountain Conference Council on Finance and Administration. My wife Candace and I love TLUMC, and Candace serves on the TLUMC Prayer Team.

## DEBI HUME:

I am chair of the TLUMC Fellowship Committee and have been part of the committee for seven years. Our committee is responsible for setting up food and refreshments for our congregation to enjoy between Sunday morning services. We also provide food for special events at the church. I have a BS in Education, but my love of food encouraged me to be a cake decorator and caterer for the last thirty years. My husband, Donn, and I raised two sons and joined TLUMC in 2008. Our committee is in need of volunteers, so if you like to prepare and/or serve food, please join us. You don't need to be a "cook" to help out, just a desire to serve our church. [debi\\_hume@yhoo.com](mailto:debi_hume@yhoo.com).

## ANDRE MOUTON:

I serve as the leader and chair of the Emergency Preparedness Group (EPG) here at TLUMC. Our mission is to "do the work of Christ by preparing and educating a network of local citizens to help others in our community in times of disaster and other needs of assistance." EPG provides emergency preparedness training and conducts wildland fire mitigation projects for local residents and those who attend TLUMC. After retiring from the Air Force in 2010, my wife and I moved to Monument. I've been a TLUMC member since 2011 and love to serve this church. I also help with the sound and video technology on Sunday mornings.

# The Beacon

TLUMC is looking for groups/ministries to submit articles about their **completed** activities and events for next month's issue. We usually receive a lot of great information about what's coming up, however, it would be great to see some stories and testimonies of the work our Church has done to build followers of Jesus in our community. A great way to frame your submissions is to ponder the question, "where have I seen or experienced God in my areas of involvement?" and to document those stories for our entire church to read. We look forward to hearing what you've been up to!
